1. To use this playlist, click the Spotify icon to take you to our premade Spotify playlist.
2. You can either follow the playlist or choose to download it within the Spotify app if you already have an account. Whether your account is premium (paid) or free, it will not matter!
3. If you do not have a Spotify account, that's fine! You can still listen to it. You just won't be able to download or follow the playlist. All you have to do is click the icon to take you to it when you're ready and start listening! Or have Allie play it for ya!
